

Troop 101 - Champaign, IL

Windsor Road Christian Church

November 26, 2002

Yes, the letterhead is correct, or at least it will be official soon. We begin meeting at Windsor Road Christian Church as of our Holiday Party on December 17. The church is located on the south side of Windsor Road between Mattis Avenue and Duncan Road, opposite Scottsdale Drive.

The decision to move has been discussed by the Troop Committee for months. As everyone is well aware, we have outgrown our space at Westminster and our growth has not slowed. We don't want our physical facilities to dictate how many scouts we can serve, so we had to look at all our options. We sought a location large enough, with large adjacent outdoor space, to accommodate a troop our size (now about 95 scouts), with room for more growth, along with a chartering organization willing to take on our troop. Windsor Road Christian Church fits all those descriptions.

Westminster Presbyterian has been good for us through the years and we really appreciate all the support we've received. We'll be moving our equipment and materials, but are giving the church the option of keeping the shed for their use, or having us remove it and clean up its location. We're not yet sure of that timing, but I'll keep you informed.

I will be available at the beginning of the December 3 troop meeting to answer any questions about the move. You may also call or e-mail me.

Have a wonderful holiday season,

Mike Hirschi
Committee Chair
